

Dear Ingo, 2003

Designer: **GILAD Ron**

Producer: Design Fenziderl

Materials:

Painted wood, 16 task lamps, metal wires and fasteners. This functional prototype is the first of its kind to be constructed, and served as a model for the limited hand-made edition and to the industrial version of the "Dear Ingo" chandelier. This object has been hanging at Designfenzider Studio during the years 2003-2007.

Dimensions:

Height 60 cm; diameter 90-215 cm.
